## 2022 ITG Conference COVID Policy

### FACE MASKS AND PROOF OF COVID-19 VACCINATION REQUIRED

The safety of all conference attendees, audience members, musicians, volunteers, and staff is the top priority of the International Trumpet Guild. These policies will enable us to continue to share live music experiences with our valued members and fulfill our mission—in turn, contributing toward artistic vibrancy within the ITG community.

#### Guidelines for attendance at the 2022 ITG Conference in San Antonio

1. To ensure the health and safety of our attendees, audience members, performers, and staff, face masks will be required for all attendees at the 2022 ITG Conference when social distancing of six feet is not possible. This includes the concerts, presentations, sessions, and exhibit hall. Face masks may be removed when performing or testing instruments. Masks will be available at the door as needed.
2. All participants, ages 5 and older, attending the 2022 ITG Conference in San Antonio must show proof of full vaccination\* against COVID-19. A valid photo ID must be presented along with proof of vaccination at the door. Accepted forms of vaccine documentation include the following:
  - electronic vaccination record (for example, via the Docket mobile app)
  - physical vaccination card
  - photo of a vaccination card

\* “Full vaccination” means that the final dose of the vaccine must have been administered at least 14 days prior to entry to the conference.

3. In lieu of proof of vaccination, participants may show proof of a negative covid test administered by a medical professional (at home tests are NOT sufficient) within 72 hours of arrival at the 2022 ITG Conference.

The ITG will continue to monitor the international health situation closely and these protocols may be modified as conditions change.

## **2022 ITG Conference Updated COVID Policy**

At this time, the ITG Board of Directors and Executive Committee remove the 2022 ITG Conference covid policy enacted on January 24, 2022. That means that masks and vaccinations will not be required to attend, present, perform, or otherwise participate in the 2022 ITG Conference in San Antonio. Vaccination is encouraged and attendees may decide for themselves whether or not to wear a mask. The ITG reserves the right to modify this policy based on the conditions and professional recommendations at the time of the conference.
