2022 ITG Conference Updated COVID Policy

At this time, the ITG Board of Directors and Executive Committee remove the 2022 ITG Conference covid policy enacted on January 24, 2022. That means that masks and vaccinations will not be required to attend, present, perform, or otherwise participate in the 2022 ITG Conference in San Antonio. Vaccination is encouraged and attendees may decide for themselves whether or not to wear a mask. The ITG reserves the right to modify this policy based on the conditions and professional recommendations at the time of the conference.
